WHO

The march is open to everyone who stands for human rights, civil liberties, tolerance of diversity, and compassion for our shared humanity.

OUR MISSION

We stand together in solidarity for the protection of our rights, our safety, our health, and our families — recognizing that our vibrant and diverse communities are the strength of our country.

In the spirit of democracy and honoring the champions of human rights, dignity, and justice who have come before us, we join in diversity to show our presence in numbers too great to ignore. We stand together, recognizing that defending the most marginalized among us is defending all of us.

We support the advocacy and resistance movements that reflect our multiple and intersecting identities. We call on all defenders of human rights to join us. This march is the first step towards unifying our communities, grounded in new relationships, to create change from the grassroots level up. We work peacefully while recognizing there is no true peace without justice and equity for all.
